
**NOTICE OF PUBLIC MEETING FOR THE DRAFT ENVIRONMENTAL
IMPACT STATEMENT TO THE PROPOSED CAMPO WIND ENERGY
PROJECT, SAN DIEGO, CALIFORNIA.**

SUMMARY: This notice advises the public that the Bureau of Indian Affairs (BIA), as lead agency, with the Campo Band of Diegueno Mission Indians (Tribe) and the County of San Diego (County) as cooperating agencies, intends to hold a **Public Meeting** to facilitate public comment on a Draft Environmental Impact Statement (DEIS) for the proposed Campo Wind Project (project), located on the Campo Indian Reservation (Reservation) in southeastern San Diego County, approximately 60 miles east of the City of San Diego, California. Construction of the Campo Wind Project is subject to BIA approval of a lease and sublease, which, as proposed, is a major Federal action under the National Environmental Policy Act of 1969 (NEPA), as amended. The DEIS is available at www.CampoWind.com and at the following locations:

- County of San Diego Public Library – Campo, 31356 Highway 94, Campo, CA 91906
- County of San Diego Public Library – Pine Valley, 28804 Old Highway 80, Pine Valley, CA 91962
- BIA Pacific Regional Office, 2800 Cottage Way, Sacramento, California 95825

The project would include the generation of up to 252 MW consisting of up to 60 turbines. The turbines proposed for the project would be up to approximately 4.2 MW in maximum output rating per turbine, tubular steel towers, with a total height of turbine (highest point) of approximately 586 feet. Turbines would be connected by an underground electrical collection system to a project collector substation. A new 230 kV overhead generation transmission line would be constructed partially on the Reservation

and partially on private lands, from the project collector substation on the Reservation to a high-voltage substation and San Diego Gas & Electric (SDG&E) switchyard that would be constructed on private lands adjacent to the Sunrise Powerlink northeast of the Reservation. The SDG&E substation/switchyard and related transmission line improvements will be subject to approval by the County, California Public Utilities Commission (CPUC), and the BIA.

DATE: The public meeting will be held on June 19, 2019, starting at 6 p.m.

LOCATION: The June 19, 2019, meeting will be held at Campo Indian Reservation Tribal Hall, 36190 Church Road (BIA Road 10), Campo, California.
